“ I'm so very sorry to hear about Kim, I was in the Coast Guard with her, we worked together in the sickbay at Group Sault. Kim was one of the smartest, hard working people I ever knew. She had a great sense of humor, and could always make the best of any bad situation. I'm proud to have know her, and to have served with her.

“ I am so saddened and sorry to hear about Kim. Her and I were roommates years ago and I will always have great memories of our time together back then. She was smart, had a great sense of humor, always happy, and an infectious laugh. And I know she loved her family deeply. Know that my heart is grieving and my deepest condolences go out to all of you.
