“ I worked with Kirk for 18 years at Hayes, we played softball together, and he was also my boss for a time. He was a very hard working man and a stand up person. I was very sad to hear about Kirk. I will continue to pray for the family. God Bless to all the family and friends.

“ Regina, family and friends. Please accept my heartfelt condolences for your loss. I never met Kirk, but I heard he was a great guy. I know words don't mean a whole lot right now, but you all have been in my thoughts and prayers since I heard of Kirk's passing. The days ahead won't be easy, but hold tight to the memories you have of times together, and keep your love for him safely tucked into your hearts. Be strong and know that others share your grief at this difficult time. Love, hugs and prayers to you and yours from me and mine!
