“ A 250-word maximum on describing Krystal is not an easy task. I haven't seen Krystal since my high school days, but I know this - she comes from a fine family line of courageous men and women who don some of the most amazing smiles and carry the most wonderful hearts I have ever had the honor of knowing. The testimonies of her friends and family on Facebook speak volumes of the impact she had on so many lives. Her life may have been short, but her accomplishments were great! God Bless you, Krystal! We all love and miss you so very much!
