“ My favorite memory of Kurt was in Jr. High basketball when we were on our way home from a game in Engadine. Kurt had bought a tub of chocolate doughnuts and had eaten every last one by the time we were 1/2 way home and then proceeded to get sick in the back of the bus. The bus driver asked me who was in the back moaning and I said "Bruni". The bus driver proceeded to swerve back and forth on the road and hollered "How we doing Kurt?" Kurt just laughed and moaned a little louder. Kurt and I would laugh about that day the rest of the year.
