“ I saw notice of Kyle's passing in the Laker Log. So sorry to hear. My condolences to Kyle's family. I lived in SSM and attended LSSC w/ Kyle and was his foosball partner. We both spent countless hours in Games & Lanes (I think it was called) at the Cisler Center playing foosball, pool and pinball.

“ Sending my love and many prayers to my cousins Joan and Beth...what sad news to learn of the passing of Kyle, especially after losing your sister Barb in December. I haven't seen Kyle since he graduated...so all I remember are the times at the cabin...and they were GREAT times!! Families are truly amazing and ours was no different...memories are what we are left with...and what memories we had. I pray that YOUR memories will outweigh your sorrows. Love to all of you...

“ My name is Linda (East) Doran and I grew up across the street from the Wicklund family. My brother Darryl East used to play with Kyle as grade school and the trouble those two could get in. I once remember them locking themselves in my parents house and trying to smoke my dad's cigarettes. I had to crawl in through the bathroom window to let the parents in and the rest is history. It was a joy growing up in that neighborhood and I send my deepest condolences to Joan and Beth.

“ Kyle and I worked together in the 70's at the Harvest Table Restaurant. He taught me how to play Fooseball. (He was really good). He also got stuck teaching me how to be a short order cook and I'm sure I tested his patience. He was a good person and I am better for having spent time around him. RIP
