“ *This is the second time in as many days that I am writing something for a friend who has died. The thing is that I knew Larry before I knew Mike Joss. Larry and I were in the same class from St. Mary's all the way through Sault High. We spent countless hours together and he was just a great guy. They used to call him "Father Ferraro." Funny thing was that I became a priest instead! God bless you buddy! Eternal rest grant unto him O Lord, and let perpetual light shine upon him...may his soul and the souls of all the faithful departed Rest In Peace...amen.* ”
