“ *To the Goetz family: You have my deepest condolences on the passing of Legsy. I didn't know him very well, but I knew him enough to know that he was a very well-liked man. I remember when he, Gus and I would get together and play country music or sing Karaoke at the Ojibway. Heck, we thought we were so good we auditioned for a Nashville agent! They laughed at us, but we did have fun. I was very saddened to hear of Larry's passing. Please know my thoughts and prayers are with you all during this tough time. Godspeed, Larry. Bang those drums all you want up there!*
