“ Bev and family. I just wanted to let you know how very sorry I am for your loss. I worked with Larry at the Sault High school cafeteria. He was such a great man. He made us laugh so much and so often. He was a joy to be around and will be missed by many. He liked to talk about his walking and bike riding and I always loved to hear what he was cooking for dinner. I am so sorry I will not be able to attend the service. Please know I sincerely wish I could. May God Bless and comfort you all in this difficult time.
