“ Wolf and his crew did a wonderful job with Drywall installation in the WHITE-WILES HOME in Rudyard. I had many very enjoyable visits with Wolf on my many visits to the home during construction. Wolf was "my kind of guy" who had thoughtful opinions about many things and was willing to share them. His crew worked like a well oiled machine and produced great results!! We are PROUD of their skill and production. No wasted steps.
Wolf will be remembered by all he knew and respected for his skill and dedication to his work. May he rest in peace!! Sally and BOB WILES
