“ *We are sad this day in Minnesota. We loved Uncle Verne so very much and feel so blessed that he was a part of our lives. We have so many fond memories that we have made with Uncle Verne and Aunt Phoebe and we will carry them with us forever and cherish them dearly. We are so thankful he was able to make it to Minnesota twice when Mom was ill. It was a true pleasure to have them at our house. Please know that our thoughts are with you all and we hope that you feel our hugs wrapped around you all at this very difficult time. Please let us know if there is anything we can do even though we are so far away. Wish we could be there but rest assured that we will be there in spirit. We love you all so much! Mark, Michelle, Dakota and Kaitlyn (4 of the "Minnesotians" as Verne would call us.*
