“ We were saddened to hear of Lehman's passing , which we did not know of till after the funeral. We would have liked to have been there and share in person all the precious memories of our dear brother in Christ. During the ten years as pastor of his North Raber Baptist church, we were often blessed by his beautiful original songs that he accompanied himself on his guitar. It was a sad day when he could no longer play. But his recorded CD enabled us to enjoy that Heavenly music. Now that he is with his beloved Shirley, wife of 70 years., Our Lord and Heaven are blessed by his gifts. Thank you Lord for lending him to us during those precious years. Our prayers are with his daughter, son in law and granddaughters.
