“ It has been an honor to get to know Leila over the last 8 years. She was a kind and gentle person who seemed to have lived a determined life. It was a privilege to hear her stories of the gas station and the resort, to understand a little of what she had accomplished in this life. She is greatly missed by me and by others in our little congregation. She was confident in her faith and strong to the end, often expressing appreciation for Linda and her loving care. Goodbye, Friend.
