“ *Mitzzy, found this very difficult to comprehend. I don't think I know of anyone else, man or woman, that always had such a smile. I cannot tell you how very sorry we feel and what you must be going through. Please know that we are thinking of you at this terrible time, but with God's help and that of your children, you will do just fine. Stan hopes to be able to see you in August. Sincerely, Stan & Donna*

“ Being a distant relative with considerable distance between our locations, I only visited with Leo a few times but he always made time to talk even when I was just a child. I'm over 40 years old now and from then until we spoke this last Summer, we still shared that same passion for motorcycles. He took me for a ride once and I can tell you, there is nothing like riding a Harley at sunset through Michigan's corridor of trees.

“ Leo will be sadly missed. He was a great guy with funny stories or jokes. His brother-in-law- Guy must have learned some of this stuff from Leo. Both are missed much and are having a jolly good time in heaven. My deepest sympathy to Margaret and family. I will never forget the wonder Labor Day weekends in Grayling at my Mom and Da's when Margaret made her special spaghetti with meatballs and we all sat round the table and talked and laughed. Rest in peace my dear friend. Tell Guy we miss him.

“ As being close friends for almost 60 years and neighbors for 16 of those years, our lives will be grieving the loss of Leo who has been one of my most influential role models for all these years. Leo is home with our lord now and patiently waiting for our time to come home as well. We will carry his memory in our hearts for the rest of our time here on God's green earth. Mitzy, I know the loss and pain that you are feeling right now and pray for God's love to lead you through this most difficult time in your life. If it were not for being in the middle of final exams, I would be there to help comfort you in this time of great loss. Leo, Rest in Peace with our Lord and tell Guy that I miss him as well. We will see you later on this Summer!
