“ My father Leonard Oliver Jones was also a proud Sault Ste Marie Chippewa Indian whose grandfather is listed on the Durant Rolls.He will be greatly missed by all his extended family loved ones and numerous friends and neighbors.He is flying high tonight with his love of his life my mother Dorothy E Jones .They were together for almost sixty years before she walked on to wait for him. I know I will miss him very dearly, but I know also that we will met again along with all my friends and loved ones who have walked on before me. Love you dad.
