“ I went to McKinley School with Linda when we were kids living in the Soo. She was such a sweet girl and I enjoyed hanging out with her. I lost touch with her after we left school and I moved away, but I will always remember her as a dear elementary school classmate. Peace and love to the Bosley family.

“ My prayers go out to Linda's family and Juanita. Linda could be gruff on the outside, but her insides were always soft and loving. She had an amazing strength that I'm not sure she fully appreciated. I feel blessed to have known her. Sandee Raappana
