“ *I knew Gloria from Playing softball. She was an excellent ball player, very quiet, with a great sense of humor. Everybody loved playing with her. Never said a bad thing about anyone, ever. I walked with her at little bear this winter and no matter how long it had been since we had seen each other it was always like yesterday. I will truly miss her...We all loved her*

“ *There isn't a day that goes by that I don't miss you. I feel lost and empty inside. Dad is so lost without you. His world will never be the same as will mine. We wish you never had to leave us so soon. We need you so much. Just remember we will always love you and miss you. Love you now and forever your daughter*
