“ *I had the pleasure of working with Lisa at Kewadin in the Sault for many years. She had the most contagious laugh of anyone I've ever met. Lisa had a kind heart and loved her sons more than anything in this world. Josh and Matthew, your mother saw you as her greatest accomplishments and her face lit up every time she would talk about you, which was often. I am praying for the comfort of her family at this time.*

“ There are so many memories from roller skating when we were 12 years old to our awesome apartment in Houston when we were 19 and all that. We went our separate ways and reconnect a few years ago. You have moved on again and I'll see you again on the other side. Rest in peace my friend. Love Always, Beth
