London lived her life in Sault Ste Marie and attended Lincoln Elementary School. She was currently in the fourth grade and loved to learn. London was an amazing and brilliant young girl who always had a bright smile. She was a little fish that loved swimming. She was also an outdoor girl, who liked shooting guns & archery, riding her four-wheeler, going hiking in the woods, learning about nature, camping, and fishing-even when she did not have the patience for fishing. London enjoyed crafting and Native American beading. She loved all her dogs: Jemma, Hattie's, Kucosh, and many more. But most of all, she loved all her family with all her heart.

With extended sympathy and prayers for peace and comfort. I so enjoyed getting to know London through her Grandma Tina and having her in my Sunday School class.
