“ Michael,

I was saddened to learn about your Mom. I hadn't known that she had been sick.....

Please know that I am thinking of you and your family. The bonds that we make when we are young are very strong.....you were very special to me then and still are... time doesn't change that, Mike. My heart goes out to you and I will have your Mom in my prayers tonight.

“ Cindy and family I am so sorry to hear about your mom's illness and passing. I have so many good memories of working with her at the theatre. Even though I haven't seen her for awhile, I'm going to miss knowing she's there. She was very special to Jamie and myself.
