“ Lorri will be a bright shining light in the hearts of all the children who's lives she touched. She had a dedication to children, her own and the students with whom she worked that will be remembered by all of us who knew her. She'll not be forgotten.

“ We mourn your passing Lorri but we know that you are no longer in pain and are resting in the holy arms of our savior, Jesus Christ. To coin a phrase from a country song... " Your work on earth is done....Go rest high on that mountain, go to heaven shouting, Love for the Father and the Son..."We pray that your family will be comforted to know that you are an angel looking out for them from heaven above...
