“ *Can't believe this has happen to a friend who I work with for more then 12 plus yrs.She and I worked very well together and grew to know the job to the upmost.Working with Mimi was very special to both and have to say it was a big headache but together we made it work.When retiring in 2003 knew Mimi could handle the job.She Was a great person to work with.Will be miss even those I didn't get a chance to spend time with her.Understanding the job and once you retire all you want to do is just stay at home with no pressure.Thinking that is what Mimi did to the end.Love you lots Mimi and I will never forget you in my prayers.Thanks for being a friend for so meny yrs.Dee*
