“ *Please accept our heartfelt sympathy on the passing of your mom. Your mom's sense of humor, wit, and smile is the memory that stands out the most. With our family you had to have it all just to survive. After the older family members passed your mom and dad did their best to keep the family together by having reunions. Now I envision them both organizing the reunion at "The Pearly Gates". I miss them both.*

“ To All Marcia's children and family members..  
I'm truly sorry for your lose.  
I can be thankful to Marcia for the great joy she brought into this world and I have had the privilege to be a part of their life these past years. Not only the children that have lived within my home, but also to know the family that she had with Kenny.  
She will shine in the here after and I'm sure she'll be looking down with a filled heart of Joy.
