“ Just a short time before hearing of Peggy's death I was thinking it was time for her to come to Az. I met Peggy when I started at SHC. Peggy was the best nurse, friend, example of living and loving. I miss her.

“ My condolences to Candace and Jesse. Peggy was a wonderful Mom- even though she was a very busy nursing student she always considered her children first. I respected and liked your Mom and cherish the time that I knew her as a parent as the LSSU Child Care Center. She was a very special person who raised two very special children. God bless both of you. My thoughts are with you at this very sad time.

“ Peggy will be dearly missed, she was a very sweet friend of mine for many years. I always looked forward to summers when Peggy & some of her siblings would come to the Soo from Az. We spent a lot of time together down at the river & at Tracey's place. I always thought a lot of Peg & will miss her so much. Rest peacefully Peggy, you will be missed.
