

## Marie Bosley

January 5, 1932 - April 9, 2023

Marie Bosley died peacefully at Ball Hospice House in Sault Ste Marie surrounded by her family at the age of 91.

She was very kind and loving to all her family and those around her with a wonderful sense of humor. She loved to cook for her family and what a cook she was. Her cinnamon rolls were the best. She also loved to sketch, paint, sing country and religious music and write songs.

Marie lived with her son Wallace for many years. She always said she wanted to go on a picnic before she died not after, so that's what he did. He planted flowers for her and took her on many trips across the country, from ocean to ocean, Mexico, and Banff in Canada, as well as both Disney parks.

She never complained about anything. From spring flowers to fall leaves, she loved it all. She especially loved babies and kids. Marie would leave extra food on her plate so she could feed animals and birds. When people got mean, Wallace would get upset and she would tell him to forgive them because they have mental issues and they couldn't help it. She wouldn't speak bad of anyone and she had beautiful handwriting

She is survived by children Christina (Frank) Zimmerman, Robert, Donald, Gary (Patti) Bosley, Cynthia (James) McClellan, Wallace, and Grace Bosley of

Sault Ste Marie. Sister Florence Payment and many nieces and nephews, 10 grandchildren, and 22 great-grandchildren, and 4 great -grant -grandchildren

Marie was predeceased by her husband Wallace, parents Tom and Irene Parr, brother James, sister Grace Smith, daughter Linda Bosley, Grandsons Travis and Wallace Bosley.

A heartfelt thanks to her grandchild Tracy Baron and her family for taking such good care of her in her final days with so much love and respect and to Dr. Thilak Chander and the Emergency, 2nd Floor Nursing Staff at My Michigan Health, Staff at Ball Hospice House.

“ My whole family cherishes so many things about you. We still make your Cinnamon rolls & pizza. We remember all the times you walked to Bobs or we all walked to you and had a fun time. You always bought us beautiful clothes and toys. Laughed at the table while playing cards talking about cats..hehe! My most fond memory was when Grandpa passed and you and Linda made me an Angel costume with Big wings and bought me a Big Crown, did my make up and hair for Halloween and said I was gramps Angel. The smile you had ear to ear is still fresh in my memory! Beautiful woman you were! I loved going to the Escanaba Fair and driving the Country to see the pretty leaves with you growing up. Cutest memory was when you played basketball with me, Bob, Travis and Wally at Lincoln school in your 60s. You did good! So cute! We are more at ease knowing that you are with your Great-Great Granddaughter up there knowing how much you'll baby her. She sadly didn't make it here. All my children, Grandson and I love you soooo very much and will bring you flowers and have a picnic with you sometime this summer when I can get there. Miss you, I always have!

“ Grandma:

*We miss you so much!! We miss your laughter, your beautiful smile, your beautiful blue eyes and your sweet voice. We miss you in our home. Our house feels so empty without you in it. You are the best grandma in the whole entire world. You are a beautiful angel now. You are with handsome grandpa. I'll bet grandpa was anxiously waiting with Jesus for your arrival on Easter.*

*I'll keep singing our song!!*

*"You are my sunshine, my only sunshine. You make me happy when skies are gray. You'll never know dear, how much I love you, please don't take my sunshine away."*

*Love Tracy and family. Xoxox*

“ Dear Grandma,

*Thank you for being such a wonderful person. You were thoughtful, kind, generous, and beautiful. You were the most understanding and forgiving person. I will miss your sense of humor and your big hugs and kisses. Maybe some people are given wings when they enter Heaven, but I believe that you were born an angel.*

*Thank you for including me in the things you enjoyed doing. Thank you for teaching me how to sew and make Easter bunny cakes and for singing with your beautiful voice and playing so many 500 Rummy card games together. The memories of going on picnics, sitting in your garden, and shopping will be cherished forever.*

*I will always love you and carry you in my heart. I think of you when I feel the sunshine and when I hear the birds singing. If Heaven has a flower garden, I imagine you are sitting in it right now with a beautiful smile on your face and your big blue eyes brightly shining.*

*Love You forever and always*
