“ So sorry to hear of your Moms passing. I didn't know until 12:30 today that she passed or I would have been there in person to give my condolences. I am sure your Dad was waiting with open arms to greet her!

“ Marie was an extraordinary woman. Always soft-spoken, thoughtful and kind. (She could let you know her thoughts in a very direct way if she felt it necessary to do so!) I remember her kindness to me, especially when I needed that kindness. We shared many good moments together. Marie was a blessing to her family and friends.
