Tribute Wall

“ My condolences first of all. My only contact with your mom was in our "Class Prophecy" of our final yearbook and I often wondered about its prediction. Marilyn and I were prophesied to appear in a Broadway musical. Now as I was also voted "Shyest", I wondered what made the yearbook staff pair us. As it turned out, I love musicals and if I had had enough money and courage to go to NY, I would have. As it turned out, I had a captive audience in my 27 years teaching high school English in Billerica, MA. And I have often wondered through out all these years what was it in our behaviors for the yearbook staff to make such a prophesy. I know the years have passed since your mom's passing and I hope you--her children--will enjoy this memory.
