“ Dear Carr family, we are saddened to hear the news of Marla's passing.

*Brian and I are old acquaintances of Boogs , we used to ride dirt bikes together late 70's early 80s . We would like to share a memory that we have shared with our boys many time of riding dirt bikes with Boog, The first thing we would tell them is that you never wanted to ride behind her because she would find the biggest mudhole and get you ! she would sit and wait Until she saw you and then she would let the mud fly . One other memory we have is , we were riding on the beaches between Cedarville and Detour , Boog was riding across this little stream when she decided to go up a little farther and cross the stream she only made it halfway across and the bike fell out from under her and sank The look on her face was priceless and we all laughed so hard luckily she hit the kill switch before it went under. We lost touch over the years when we move down to the Mount Pleasant area , and that was one of the things we missed most was riding dirt bikes with friends , she had the most contagious laughter and we always enjoy each other's company. With these memories we send our most sincere condolences her family May your memories of her bring smiles to your face and laughter has you rembember each day you had together .*

*Sincerely*

“ Marla kept some furniture of mine in her garage while my wife and I redone our living room. When I went to pick up my furniture she wasn't home and I changed her answering machines message. I think her mother heard it and was not impressed. Marla did laugh as she told me about it the next day at work. She helped me out more than once. I just wanted to say thank you, God bless. “ So sorry to hear of Boog's passing. I worked at Ang-gio's one summer and Boog started cooking there, moved up from waitress. She was always so nice and funny and friendly. I'm sure you will all miss her so much.

“ Boog pierced my ears when I was 13, she was 16. She used a regular sewing needle and thread. My mother was mortified but to me the pain and her anger were so worth it. She couldn't have done a better job. Such a sweet person. So young, too young to leave life.

“ I remember the time that she cross country skied all the way from her home, north of Pickford at that time, to Cedarville, on a bet. She won the bet, but could barely walk for 3 days. Carol and I always enjoyed her company and sense of humor. We'll miss you Boog! Our sympathy and prayers to her family!
