“ *Dear Samples Family and Friends,  
I wasn't privileged with the remarkable acquaintance of  
Mrs. Samples as you were but it saddens me to read of your  
tremendous loss. Please accept my family's sincerest condolences.  
It brings great comfort and hope to many when they read of The  
Almighty God and Creator's promise to rid humans of death, pain,  
sorrow, and outcry in his Word The Bible . May you all have peace.*

“ when Martha and I became neighbors on Marquete Island, we were both just children. Her parents bought the next door cottage and I was thrilled to finally have a friend to do things with. We have remained friends for all these years and we shared the love of the Island, shared our life changes as we each got married, had children and got to know and love her Children as well. We have virtually grown old and all though one of us is now in Heaven, she shall never be forgotten and I shall always love her and cherish our memories that we shared. I hope that the kids will keep in touch and pray they can indure the loss of one so dear to them.  
lovingly, Dorothy.
