“ Jackie, Scott, Matt and Jason - I am so sorry to hear that you lost Marv last fall. I love you all so much and have great memories of my high school sweetheart's family. I just saw Matt last week and had I known I would have given him a hug instead of just a hi. My love to your whole family.

“ Dear Jackie and family,

Please accept my sincere sympathies. I have so many memories of our days at New Buffalo. Driving to Michigan City in your bug comes to mind. Those early days were fun. I will always remember you and Marv with great fondness. As ever, Carol

“ Marv and I had many good times and adventures during our high school and early college years. We got busy with our lives and fell out of touch; however, Marv will always be fondly remembered. My special condolences and best wishes to Jackie.
