“ Ray and Jay, I just heard about the passing of your mom. Needless to say it brought back a well of memories. We are so sorry to hear of her passing.
Guys, your mom was like a 2nd mom to me, and I have a really good mom. I will never forget her smile and wonderful attitude about all things good. The free pours at the Antlers were alos a hoot.

Our sympathies and love to all of you. I am out of country on business to South Africa. will look you up when we get North.
