“ Sister...*"I Loved You yesterday, I Love you still, I always have and I always will"*.

Mary I have always admired your spirit. You worked so hard, you played hard, all unapologetically. We laughed, we cried, we may not agreed, but we were always there for each other when ever needed, mostly you for me. My heart is broke, but faith will get me through until we meet again sister, I am sending all my LOVE to you.
