Vision of the ten lamps

The Lord said to me: Half of those that say they know me in the time of the end are liars.

They have never been lit with the fire from heaven.

They are burning with the strange fires of Mystery Babylon.

They only pretend to know me.

Their lamp shall be put out in outer darkness and there shall be weeping and gnashing of teeth.

But those who are Mine shall shine forever and burn with the brightness of my glory as the stars. For they are lit from My throne and fed with my oil and shall never go out.

Not sure who you are - but obviously you have posted this awful note to a wonderful ladies memory wall. You are a real gem! This is not, the Fred Plont that we all know and love and admire. Get a Life and Shame on You!
