“ So blessed to have you as my very Special Aunt, you shared your life and love with so many, and we are all better because of it. You will be greatly missed, but will always be in our hearts and thoughts. So glad we have such a wonderful loving family, thanks to the foundation you helped build. So many memories, family vacations, picnics, weddings, funerals, birthdays, etc., always heartwarming. I will always remember the laughter and fun that we shared, truly cherished memories.

My prayers for God's loving peace and comfort for Maryanne, Larry, Polly, and family as you grieve this loss. Our faith ensures us that Aunt Mary has transitioned from her family here to her loving family members in Heaven. She is only a thought away, and her love will always be with us.
