“ We cannot control the movement of time, nor can we control our own destiny, or the destinies of those we love. But we can take comfort in knowing that those who have lived in our hearts are never really gone. For as long as we keep them with us, in our hearts and thoughts, they will be with us always. For love, which is timeless, never ceases to exist. Earth has no sorrow that Heaven cannot heal. Kathy, Kent & Elizabeth please know we are thinking of you with love & prayers.
