“ *My deepest sympathy to Sue's family....Sue lived her life for her children and did an amazing job as a mom. She'll be sadly missed at her work place....Sue was well respected by her peers. Let us all take a lesson from Sue regarding dignity and strength. God bless her and all of us who miss her.*

“ To the family of Sue: I had the good fortune of knowing your mother from work - I worked in the prosecutor's office, Sue in Probate. There are so many adjectives that I think of when thinking of your mom: caring, competent, friendly, sincere, dependable, determined, and from others sharing - a loving and good mother. I won't be able to attend the funeral service as I am still in Texas - we winter here. Would have liked to have met her family! My love, prayers and sympathy are with you all.
