“ *Tony, I am so sorry for your loss. I'm known your Mom since 1969 when we met in Friedburg, Germany. The Wheelers, your parents and the two of us did everything together. I have so many memories. I'll cherish the moments I shared with your Mom at Connie's funeral. We sat on a couch outside the main room and talked and laughed together. It was if no time had passed since we last saw each other.*

“ *Mary was one of my closest Nail Clients for many years. We bartered nails for painting rooms in my new house. She insisted on vacuuming my house when I'd had surgery. I did the flowers for her son Nick's funeral. I still have the dining room chairs that match my set that she gave me when she moved. We built a bond through the years. I'm sure this is just a small example of her giving heart. I'm so sorry to hear of your loss Tony. Thank You for posting this on fb.*

“ Mary was an amazing teammate at the ASU Group when she lived in Gaylord, and through the years became a dear friend... hard working, always with a "project" under way and so much pride for her family! She lovingly shared the boys, her parents, mom and "The Count" with everyone! Mary would always have an opinion about whatever the topic was... but she was admired for her openness and willingness to share her time and energies to so many groups... including the animal shelter. To a very full life well lived Mary... we all love you!!! MBP & SJP
