“ *We had the privilege to know, and serve with Ernie on the USS Vega (AF-59) and regret his passing. This wonderful man, shipmate, dedicated to his family and friends is in God's hands. Our thoughts and prayers are with you Jen and the family. We both remember Ernie as a reliable given, fun to go ashore with, honest, dependable, as well as a counselor. We celebrate and will always reflect upon his life and contributions with you.*

“ So sorry to hear this news. Ernie was a kind man, a smart guy and had a great sense of humor. It was my great pleasure to know him and call him friend since 1977. I wonder if people in St. Ignace know how much of the infrastructure of the town is due to his good work. I especially remember how puffed-up proud he was when his little daughter was born. Happy days so long ago. Love and prayers to all those left behind.
