“ To the Joss Family, I'm so sorry for your loss. I went through St. Joseph's and High School with Mike. It brings back many of good memories of Mike in grade school. Cute boy, great hair, great hockey player and a flair for keeping things alive in school. He surely was not alone in that area. I think the nuns appreciated them in the class room, someone to pray for. We will miss him at our 45th class reunion this summer. Rest in Peace Mike say hello to our other class mates. “ To the family: I am profoundly saddened upon learning of Mike's death. He was a friend of mine from our High School days. Mike defended me numerous times back in school and he won my everlasting gratitude and respect. Now he has earned my prayers and I will be praying for him and the family. I've been a priest now for almost 24 years and have studied theology well. With that as a backdrop I can truly say Mike was a guy who exemplified values espoused by Jesus and, in my humble opinion, he now rests in the Lord's Kingdom. Eternal rest grant unto him O Lord, and let perpetual light shine upon him, Amen.
