“ I am so sorry for your loss. I feel very privileged to have known Mike throughout my life. He is a person that has touched on everyone and who's presence will always be felt. When I first heard the news of what happened, my first thoughts took me back to when I was a kid. I still remember all of the fun times that we had whether it was racing out bikes up and down the driveway or playing football in the yard. I thought of how much those moments meant to me and how much Mike's companionship influenced my life. Although he is no longer with us, his presence will always be felt by those he influenced and loved. Through friends and family, Mike's memory will continue to live on and he will be missed dearly by all.

“ Our deepest sympathy to Lacey and all of Mike's family! We had the privilege of getting to know Mike through our daughter Megan and son-in-law Jordan. What a great young man, with a heart of gold! We quickly understood the amazing friendship these four "out of staters" found with each other in Wisconsin! Our hearts are broken for you all and we pray for God's comfort & peace. “Forever young. When it's a state of mind, we smile and approve. But this forever young roars with anger. Our hearts race beyond comfort then slow as if minutes pass between beats. This loss is infuriating. How does time pass without Mike? Mark and Karla, he was never a day without your love and guidance. He never walked in the world without the gift of parents who cherished him beyond measure. You are here for the full circle of his life. We all say we would do anything for our kids. You both have truly have done anything for your boy. From his very first day to this moment. You are sacrificing who you are to bury your son. From beginning to end you are here for him. We are all witness to this love beyond our understanding. Mike didn't tread lightly. He burst into a room. He seared us with his existence. That's not going anywhere. For 28 years with the split of a second you could find yourself laughing so hard your face went numb. For 28 years our family was lit up like an electric shock when Mike walked into the room. For 28 years we watched a baby, a boy, a man drive fast, play hard, love wildly, give without regret, and love each of us like there was no tomorrow.
