“ *Very sorry to hear of Mike's passing and my condolences to the family.*
I was fortunate to spend a lot of time with the TenEycks growing up with the boys and their whole family made me feel welcome around the TenEyck compound in Radar Sub. I always remember that Mike liked to talk grumpy and ride me some times but I learned that was his way of showing you he was a friend cuz I could catch him here and there with a little grin on his face after he gave me some words... Great guy and a great family, thanks for the memories Mike and RIP
