

Michael Worley

September 15, 1953 - February 16, 2023

Michael James Worley died unexpectedly in his home on February 16, 2023. He was 69.

The youngest of five children, Mike was born in Sault Ste. Marie on September 15, 1953, to James and Roberta Worley. He graduated from Sault High School with the Class of 1971. He played football and basketball for the Blue Devils, participated in men's slow-pitch softball as a player and umpire, and enthusiastically followed the Lakers hockey team during their championship years.

Mike married Gwen LeuVoy on July 14, 1973, and they were expecting to celebrate their golden anniversary this year. He enlisted in the U.S. Navy and served three years as a hospital corpsman at Great Lakes Naval Hospital in Illinois. For his fourth year, he was attached to a Marine division in Okinawa, Japan. He and Gwen still have lifelong friends from his time in the military. Mike used the G.I. Bill to attend Lake Superior State University, graduating in 1983 with a degree in Human Services. He worked at Lake State and had the honor of supervising the resident advisor staff, many of whom are good friends to this day.

Other employment included positions with U. S. Customs and Immigration, Inter-Tribal Council of Michigan, and Michigan Child Welfare Agency. He

found his true calling as the Intervention Specialist at Lincoln Elementary School. Even after four years of retirement, he was greeted with "Mr. Mike" from countless former students when he was out and about in Sault Ste. Marie. His school family was so special to him, and oh, the stories he could tell!

Mike and Gwen proudly raised two delightful children: Carolyn (Joshua) Brady of Milwaukee, WI and Eric (Katey Price) Worley of Albion, Michigan. The apple of his eye was grandson Sebastian Michael Kai Brady, and he had nine joyful months watching his entertaining antics. Mike fiercely loved his family and friends, and whether you knew him as Big Mike, Uncle Mike, Mr. Mike or just Mike, you knew you had a friend in him.

Mike is survived by his wife Gwen, his children and grandson, his sisters Jan Jobes, Linda (Ted) Haapala, and Charlene (Bill) Good; sisters-in-law Gayla (James) Palmer, Sherry (Ken) Demaray, and mother-in-law Dolores LeuVoy, all of Sault Ste. Marie; and brother-in-law Randall (Angel) LeuVoy, of Lancaster, OH; as well as several nieces and nephews.

He was preceded in death by his parents, his brother Donald Worley, his father-in-law Donald LeuVoy, and his brother-in-law John Jobes.

A memorial service will be held at 4:00 PM on Saturday, February 25, 2023, at C.S. Mulder Funeral Home. Friends may gather at the funeral home that same day starting at 1:00 PM.

“ I am very sorry for your loss Gwen, Carolyn, Eric and other family members. I worked for Mike as an R.A. for a couple years. His impact on my life in that short time frame was immense. My wife only met Mike once and she also remembered how he was the kind of person that easily left a lasting and meaningful impression. It is a very sad thing to lose a person like him.

“ To Eric and your family: I am so very sorry for your loss. While I only know Eric, I know that it takes a kind and generous man and family to raise someone like you. My experience losing my own dad a couple years ago makes this even harder to write, but it inspires me to tell you that it's the collection of memories and inherited traits that keep our lost parents very much alive....even when there is an empty seat at the table, or a birthday or holiday that continually reminds us of that loss. Keep being you, and I am absolutely sure that alone makes your father proud, his life worth living and might give you some peace and purpose now and moving forward. All my love to you and your family.

“Gwen and Family,
I never imagined I would be writing this in tribute to Michael. Mike's
passing came much too early in his life. I knew Mike for over 49
years. Mike and I met in the Navy at Great Lakes Medical Center.
We played many sports together there and when we were both
attached to 1st Marine Division 4th Battalion in Okinawa, Japan as
"Scrunts" (half squid, half grunt) in the late 1970's. We shared many
memories of our time at Great Lakes and overseas: softball,
football, long walks with the Marines, and rugby in Australia. The
last few months in Okinawa we decided we need to become very
svelte, so we lived on exercise and popcorn.

Michael was a great husband, father, grand dad, brother, uncle and
friend to many. He was bigger than life in the eyes of all who knew
him. A saying I heard a long time ago epitomizes Michael J. Worley:
"A man never stood so tall as when he stoops to help a child. He
was always willing to help. My words cannot begin to fill the hole
Mike left in your hearts. But the memories of Mike will always be
there for you. May God's loving arms encircle you and keep you
comfortable in the trying times.

Sincerely,
Mike Dickson

“ For Mike and his family
Mike know you were a friend always .
For Debbie almost from birth. Her parents rented from Mikes parents. Roberta and Wanda were pregnant together with babys born days apart. With a connection like that they were destined to be life long friends. Mike always had kind words for her, me he teased . I loved it it's what made him the special person he was. Always fair and honest He asked me to build a cabinet for the office at LSSU. When completed administration officials said it was against school policy to pay me for labor as I also worked for the university. Mike always the gentleman said thank you with a handshake and explanation. I always respected him as did everyone he came to know. That was Mike ! Prayers for you buddy, you leave a big void for all you knew . We know you are in heven with loved ones.

“ My deepest condolences Gwen and the children. I grew up living 3 houses down from the Worley family. Even though I was 4 years younger than Mike and even younger than the rest of the Worley kids, I was always treated like family by all of them. I spent many hours in our backyard shooting hoops with Mike. After I grew up we would go to the Worley house once in a while when I came back to the Sault for Christmas. I would spend most of the time talking with Mike and reminiscing about those old days. Our parents were very close as well so it felt like family whenever we were there. I remember eating well every time I was there. I ran into Mike in St Paul when I was there with my brother Rick to watch the Laker Hockey team dismantle Boston U for the National Championship. We had so much fun. Hung out all night after the game at the Laker celebration party. Mike's energy and passion were 2nd to none. What a good man. He had so much love for everyone in his life. May God bless and protect Mike's family until they meet again in heaven. Amen

“ As an freshmen at LSSC in the late 70's, Mike helped me through a couple of rough patches as I tried to find my way academically and socially. His was a tell it like it is voice when I truly need one. I always popped in to say hi after graduation while he was still working for the College. These many years later I still appreciate that guildance from Mike. He was a good friend.

My sympathy to Gwen and family.

“ To Gwen and all of Mike's family:

I was saddened to learn about Mike's death. While I was not a close friend, I would say that our paths had crossed when we were at Lake Superior State College. He was an RA and I was a security officer. I had (and still have) a tremendous respect for him. My prayers are with all of you. Now as a minister of the Savior Jesus Christ, I offer you the words of hope that Jesus gave to Martha in the Gospel: "I am the resurrection and the life." May Mike now enjoy the presence and eternal life and peace of our Risen Lord...
