“ *Dear Kathy, I hope you are having a supportive time with family and friends you hold dear as you come to feel the loss of your mom. This is a difficult time that does get better with time. I think walking in nature is one of the most healing things to do, so please take time for reflection on a nice walk. Take good care! Love, Joanne*

“ I want to offer my sincerest sympathies to Nancy's family. I had known her for many years and have so many memories of her. In this time of hope inspired by the Paschal Mystery and Jesus' victory over death, may we recall the words of the Lord and His eternal promise: "I am the Resurrection and the Life" "I am with you always until the end of the world." May these words bring your hearts Gods comfort and peace. Respectfully in the Risen Lord, Fr. Ben Paris Marquette, Michigan
