“ *My condolences to Neal's family and friends. What a kind and helpful man of integrity! When mediating was not what he felt comfortable doing, he just found more and more ways to volunteer his time and talents to the EUP Community Dispute Resolution Center. The most visible were the connections he made and the infrastructure he created to ensure the annual Arts, Crafts and Family Fun Fair fundraiser would be a success for years to come. Less visible were his many good ideas and tedious work in terms of increasing frugality and improving computer-related work. - Gerry Stelmaszek*
