“ *Getting to know Neill at the Cedar Campus events was a delight. Judy & I were particularly inspired by watching him care for his first wife during her last years coming to the Empty Nesters Camp. Had the privilege of being together in sever small group Bible studies during the event. We were so happy for he & Gene getting married and enjoyed them singing/playing together at church.*

“ *My wife Shirley and I have only known Neill for a few years-mostly being with him and Jean at Cedar Campus events. We remember Neill as quick minded, full of stories and with deep hearted commitment to building up younger Christians. He was fun to be with and an inspiration to (slightly) younger friends.*
