“ *Nora was one very special lady, remembering her sense of humor, warm laugh and great compassion for the consumers she worked with. I worked with your mom/grandma at EUP Mental Health and have many fond memories of Nora. She loved her big family and her Sugar Island home, visited her there and marveled at her determination and strength. She will be missed by so many. Jackie LaFord*

“ We are sending our condolences in hearing of Nora's passing. I think she was one of the first islanders that I met when we moved here in 1991. I knew her before that but never realized she was from the island. Loved her little place on Sugar Island along with her contagious laugh. Rest is peace Nora!
