“ *Our condolence to Norman's lovely Family. In our younger days living in Prince Township (Gros Cap) was a fun time with everyone knowing each other. Vern and Brenda and Family were our friends and we watched our children grow up. Norman was a great kid who grew into a fine young man. We were sad to see Vern and Brenda move away from the Township. Eventually, losing touch with us, so seeing Norman's obituary was a shock of sadness. He was too young. Wishing you peace and comfort in the time to come. God Bless. Diane, Fred Howe and Family. Prince Township, Ontario, Canada.*

“ Norman was a loving and caring person
Who loved life. Who was always doing something to make you
laugh.
He was always there to help others.
Norman was around 16-17 years old
And went to a car lot and pretended to be older and that he was
interested in buying a car after a test run.
Lol His dad gets a call from the car lot as the guy is wanting to
speak with Norman. The guy explains. Vern is in shock omg and
lots was said. We had a good laugh and thank god everything was
ok. He was always up to something.
He grew up to be a great guy and married Jodi and was a father too
.
RIP Norman love Aunt Gail

“ I have a few memories of Norm and his family.... visiting in Gro Cap.... had my first ride on a snow machine back then... they always welcomed us with open arms.... We lost touch with each other for a number of years.. until Aunty Brenda passed.... We then decided to have a get together at the beach and I so enjoyed our conversations Catching up on all that was happening And most of all seeing Uncle Vern.... We got together a few more times before Uncle Passed but we still kept in touch..... Jodi we love you and will pray for you during this time

I grew up with Norm. He was always willing to lend a hand, had the most sparkling eyes when he would smile. From across a crowded room, if he saw you, he made sure he got to you to say hello. He was just a truly all around great guy!

It was only a few years ago I met Norm, it was clear to me that Norm was a kind and caring person. Although he was born in Canada he embraced our Constitution and the freedoms it gives us. Norm was one of the greatest Patriots I ever met, he understood Natural law, Gods law and fought hard for it. "In absentia lucis, Tenebrae vicunt." Norm was a light of freedom, RIP my Brother, we will catch up on the other side! Harrison J Bosley, Stalwart, MI
