

Omer Wayne Clark Jr.

November 11, 1981 - January 20, 2025

Omer Wayne Clark Jr., mostly known as Lil Wayne or Bubbie, age 43, died on Monday, January 20, 2025, in Sault Ste. Marie, Michigan. He was born on November 11, 1981, in New Roads, Louisiana, to Omer and Linda (Buck) Clark.

Wayne was born the baby boy of the family. His three older sisters loved him deeply and he was adored by his whole family. After his parents passed away, he continued to live with his two sisters and family.

Wayne enjoyed watching movies with his family and listening to music. He loved taking trips and watching the world around him out his window. He lived his life without worry and loved being around his family.

Wayne is survived by his sisters, Melissa Clark of Baton Rouge, Louisiana, Paula Clark and Mary Clark, both of Sault Ste. Marie.

Wayne was preceded in death by his parents, Omer and Linda.

Wayne has left a big hole in his family's life that will always be empty. He will be forever loved and missed deeply...until we meet again.

Love you forever and always!

“ *Thinking of you 🥺💔😭
Miss seeing your smiling face...
Wishing I could go back in time!!! I would have changed doctors sooner... I believe you would still be here...if I did!...
I won't ever forget how they treated us...God sees All and knows All...
That Dr knew that medicine wasn't good for someone who doesn't communicate and still prescribed it... I am still so mad at myself for not looking into the medication sooner and the so called doctors involved!!!
I am forever changed by this!
I will not ever forget!
You were taken away from me too soon...
I wasn't ready to let you go!
You were my world 🥺💔

I Love you my bubbie 🥺💔🥺💔*
