“ *Condolences to Orabel's family. I remember when we had Rasmussen/Richards gathering Orabel was so "classy". And those cousins always had a great time. Orabel and my dad (Dollie) were cousins. They left us a great heritage. Sharon and Jerome Gorden*

“ *My mother, Rose Snider who passed away in 2006, was a good friend of Orabel and they shared such good times together. I'm sure Rose was there to welcome her good friend home. My deepest sympathy to her family. It is so difficult to lose ones we love, but we will all be together again one day!!*

“ I was a classmate of Orabel in the first-third grade in a country school in Clay County Minn. When I saw the obit in the local paper, it rang a bell & I had hoped I could maybe speak or write to someone to open a few memories. I know it's a sad time for you all in the passing of a loved one, & I pray that the Lord will console you & help you through this time. I would love to get an address so I could write a letter about memories I have of the Rasmussen family. Bless you all, John. (218)233-5988
