“ Hello:  
*By introduction, my name is Richard (Dick) Nagel. I grew up with your mom on Woodmont and Thoman in West Toledo. We were playmates and lived across the street from one another. We lost contact when she moved to Adams Township, off Richards road in the Rogers district at the end of her 3rd grade year. We reconnected when my family moved into the Adams Township, Rogers, area in 1957. If there are some specific things you would like to know I'd be glad to try to fill in any gaps, as far as my memory allows. We remained good friends throughout high school, but lost contact afterward, as so many do. Whenever we had a reunion, your moms name always came up as we missed her infectious humor and good hearted nature.*

“ Pam was my neighbor in nursing school. Her parents made me feel like I always had a home if I needed one while in Toledo. We had great times while in school and when we were getting married. I sent her a x-mas card every year without reply, but I knew she had her work cut out for her. I will keep these memories in my heart as she rests in peace. Ann and Don West
