“ My sincere condolences, I can say Pam touched my life in many ways, working with her for close to 20 years. She always kept calm and listen, problem solver and made tough situations not look so bad. She was great to work with and along the way we grew a friendship, just like picking up the phone to say “ How’s it going” I am going to miss her dearly! Again my condolences to Jon, Steven, Cathy and the rest of her family and friends.
